

UROLOGICAL SOCIETY OF
AUSTRALIA AND NEW ZEALAND

urology
ONCOLOGY
program NSW

Friday 18thth June 2010 – Saturday 19th June 2010

Keep these dates free. Registration information to follow.

On behalf of the NSW Urology Oncology Program, the Urological Society of Australia and New Zealand and the Faculty of Radiation Oncology Genito-Urinary Group, we have pleasure in inviting you to be part of this multidisciplinary Best Practice Workshop which will provide an update on best practice in the treatment of urological malignancies.

International speakers: Mr David Gillatt, Professor Tim Eisen, Professor Eric Horwitz.
